What's The Buzz?

Minda Merwin Metz, owner of **The Buzz** in Monrovia, always dreamed of having a small, community-oriented café. So when the owners of A Cool Dip, an ice cream shop in the Green Valley Shopping Center, decided to leave the business, Metz made her move. She continues to offer ice cream, but The Buzz also features breakfast, sandwiches, gourmet coffee and a great bakery selection, including new items that Metz and her associate Allison McGaw cook up every day. Metz' vision of creating a community gathering place includes a weekly knitting group and board games to share. And with her plans of offering acoustic entertainment in the café and hosting a Scrabble night, patrons can expect even greater things in the future. 11801 Fingerboard Road, Monrovia, 301-865-4900.
